

Supertag pin

Pin

This pin, designed for the Sensormatic® Supertag range, stands out due to its minimal footprint. Its ergonomic design ensures comfort during clothing trials, thereby enhancing the shopping experience for the customer.

In addition to its customer-friendly design, this pin also excels in terms of security. Its robust construction and groove type design make it resistant to unauthorized removal attempts, thereby providing an added layer of protection for your merchandise. Furthermore, its compatibility with the Sensormatic® Supertag range allows for seamless integration with existing security systems, making it a versatile addition to any retail security setup.

Benefits:

- Shrinkage reduction
- Designed for compatibility with the Sensormatic® Supertag range
- Features a conical head type for secure attachment
- Exhibits a minimal footprint, ensuring comfort during merchandise trial
- Compatible with standard magnetic detachers, allowing for easy integration into existing security systems
- Not recommended for use with Mini Hard Tag, Large Hard Tags, Pencil Tags, Flat Pencil tags, Mini Pencil Tag, Pencil with Lanyard Tags, Sensormatic AMT1000 Tags, Knogo Super Satalite Tags, Knogo Satalite Tags, Onvi Security Tags, Checkpoint UFO Tags.
- And much more!

Applications:

- Loss prevention at retail stores

Versions of Supertag pin:
